Hello Albert & Amanda,

We are selling homes like yours at more than 105% of listing price!

We just repeated that success by selling another home in Fremont for 106.8% which is about \$75,000 above listed price!

Enclosed is my newsletter for March, with details of market activity in Fremont on page 2. It is a sellers market! Since interest rates are low, it is attracting many buyers to this red-hot market. If you have a home, there is no better time than now to sell and realize capital gains.

On page 3, discover how to beat out other buyers to hot new listings. Ensure that you gain access to all homes in the market, even those that are NOT available online.

Whether you're buying or selling a home, we're sure that you have lots of questions. We invite your questions and explain how to direct them to us, so they can be answered in one of the upcoming issues of Market Watch. This month we've selected another popular question that many homebuyers ask, "How to Avoid 9 Common Buyer Traps BEFORE Buying a Fremont Home".

Page 4 has a list of useful reports that you can request, for FREE.

Don't forget, you can call my office any time at [925-452-7483](tel:925-452-7483) for a FREE Quick Over-the-Phone Home Evaluation.
